Driving Licence:

Class B (Full)

OBJECTIVE

I am a motivated software engineer with 6 years of experience in backend development seeking new opportunities in the United Kingdom. I am particularly interested in fintech and would like to bring my expertise in Java and microservices to a dynamic team. I am a quick learner and a good team player.

WORK EXPERIENCE

Senior Software Engineer

Deutsche Bank AG · Frankfurt, Germany · 09/2020 – Present

- Development of microservices for trading platform using Java Spring Boot and Kafka
- Responsible for code reviews and mentoring of 3 junior developers
